

## Game 1:

**gabriel knight- tim curry**-A struggling author and rare bookstore owner following the recent string of murders dubbed the voodoo murders in hopes of basing his next novel on the case. As the case progresses though, Gabriel discovers his nightmares and family are tightly linked to the case.

**Tetelo - Linda Gary** - Former lover of Gabriel's ancestor, Gunther, who was betrayed. Now she possesses her female ancestors with the hope of destroying the schattenjager line for good and make New Orleans her domain.

**Malia Gette - Leilani Jones** - A wealthy Africa-American socialite, lover of Gabriel, and ancestor of Tetelo who is used as a vessel for the angered loa. She wishes for a normal life, but her family obligations deny her of that chance.

**grace** - Leah Remini - A recent graduate with a masters in history and plans to go on to a phd. As Gabriel's bookshop assistant she assists him with any research he needs during the case. Towards the end of the case she is kidnapped and the rescued by Gabriel, whom she agrees to stay with, deciding to put her parents plans of a phd to the side for now.

**Mosley** - Mark Hamill - A New Orleans police detective with hopes of sometime becoming police chief and Gabriel's childhood best friend. He reopens the voodoo murders case at Gabriel behest and gets dragged into the real voodoo of New Orleans.

**Wolfgang Ritter**- Efrem Zimbalist jr. - Gabriel's Grandfather's brother and only remaining schattenjager remaining rittersburg Germany. Assists gabriel in his case and sacrifices himself to see gabriel become the last remaining schattejagger.

**dr.john** - Michael Dorn - The curator of New Orlean's voodoo museum and tour guide of St. Louis Cementary. He is also the right hand man of Malia/Tetelo in the cartel. He is killed by Mosley during the final confrontation of the game.

**gran** - Linda Gary - Gabriel's grandmother and sole guardian after his parent's deaths when he was 8.

**professor hartridge** - Monte Markham - An English professor at Tulane who lectures on African history, mainly voodoo culture from Africa during the game. The cartel has him killed after he begin researching for Gabriel.

**gerde hull** - Mary Key Bergman - A maid and close friend of Wolfgang at Schloss Ritter.

**crash** - Christopher Lytton - A secret runner for the cartel who Mosley interrogates as part of the voodoo murders investigation. The day he is related the cartel has him killed while speaking with Gabriel.

**madame cazaunoux** - Susan Silo - A New Orleans elitist with strong family ties that can be traced back to 1700. Her appearance as a good christian girl mask her strong belief in the voodoo that controls the city.

## Game 2:

Gabriel Knight- Dean Erickson - A year after his return to Rittersburg a case concerning a local missing child draws him into the world of lycanthrope, Werewolves. As the case progresses the case turns into a battle for survival.

Grace Nakimura - Joanne Takahashi - Gabriel's research assistant who travels to Germany to provide her assistance to the case. She becomes essential to the case as Gabriel is unable to continue for the final part of the game.

Baron Friedrich von Glower - Peter J. Lucas - Born in 1738 Friedrich is a werewolf dubbed The Black Wolf. He turned von Zell into a werewolf, in turn causing Gabriel brief touch with lycanthropy. Ultimately, Gabriel kills von Glower to break the curse.

Baron Garr von Zell - Richard Raynesford - A current member of Von Glower's hunting club who was turned into a werewolf by von Glower approximately a year before the game. Gabriel kills von Zell at von Glowers urging, but after von Sell scratches Gabriel (turning him into a werewolf).

Gerde Hull - Andrea Helene - Continuing her role as maid at Schloss Ritter she assists Gabriel and Grace in their investigation. Tensions between her and Grace are quite apparent from their first meeting, until late in the game.

Kriminal-Kommissar Leber(police chief) - Nicholas Worth - Munich police chief who reluctantly assist Gabriel and then Grace in their investigation into the recent wolf attacks.

*Stephan Klingmann (zoo guy)* - Wolf Muser - The Munich zoo manager and member of von Glower's hunting club. His main concern is over the recent escape of two wolves that are being framed for the recent killings Gabriel is looking into.

*Mr. And Mrs. Smith* - Bruce Ed Morrow & Judith Drake - American tourists touring Germany who run into Grace in Rittersburg. Mrs.Smith is a psychic who provides multiple readings for grace throughout the investigation.

*Werner Huber* - Kay E. Kuter - Werner originally leads the parents of the missing child to Gabriel at the beginning of the game. Later he is distrustful of Grace before telling her about the case.

**Harald Übergrau** - Friedrich Solms - Gabriel's family lawyer who assists Gabriel with his families financial standing.

**King Ludwig II** - Russell Mitchell - King of Bavaria, a small portion of his life is rewritten for the in game lore. He met von Glower in 1864 and was bitten in 1872, causing his well known madness. His mysterious death still occurs, yet not at the hands of von Glower. He appears in Grace's dreams in an attempt to help her in the investigation.

**Georg Immerding** - Brad Greenquist - Curator of the Wahnfried Wagner Museum in Muchen and music student at Munich University. He assists Grace in her history research for the case. He conducts the missing opera that Grace finds in neuschwanstein Castle.

### Game 3:

**Gabriel Knight** - Tim Curry - Continuing his duties as sole Schattenjager his current case involves reducing the kidnapped infant of Prince James by mysterious night walkers (vampires). Throughout the case Gabriel learns just how his family became Schattenjagers.

**Excelsior Montreaux** - John de Lancie - A French vineyard owner, Montreaux is secretly the leader of the vampire cult who kidnapped Prince James baby in hopes of receiving immortality due to the child's blood line.

**Prince James of Albany** - Simon Templeman - Sole descendent of the Stuart blood line. He hires Gabriel to protect and then rescue his son from night visitors who intend to kill the child.

**Grace** - Charity James - Taking on a larger role in this game, Grace continues to assist Gabriel on his Schattenjager case. As the game progresses tensions between her and Gabriel come to a climax and cause her to make the choice of leaving at the end of the game.

**Mosely** - David Thomas - Secretly working for the CIA, Mosley works with Gabriel to try and find the lost treasure before anyone else on the tour group can. While also looking into secret societies located in the area.

**Madeline Buthane** - Jennifer Hale - Working as both the Tour guide for the treasure seekers and secretly as a French Internal Secret Service agent. She is looking into why an excavation has suddenly been ordered for the area.

**John Wilkes** - Richard Doyle - An Australian treasure seeker who is sure he will find the treasure first with the help of his geological maps of the area and his seismic instruments. He divulges this to Grace while drunk. That same night he is murdered by the vampire cult.

**Lady Howard & Estelle Stiles** - Samantha Eggar & Carolyn Sermour - British Actress and friend who are working together to find the treasure for themselves. With the help of a Dr.Wen's research and their own copy of the infamous paper "Le Serpant Rouge" they feel they have the best chance of getting the treasure first.

**Emilio Baza** - Billy West - A fellow member of the treasure hunting group with a massive secret. In truth he is a former magi who was deeply devoted to the Jesus. After drink Jesus' blood he became immortal, soon to his regret, and began walking the world endlessly.

**Vittorio Buchelli** - Joe Lala - Another member of the treasure hunting group. In truth Buchelli works as a Vatican Priest searching the area in an attempt to protect the catholic church.

**Abbé Arnaud** - Greg Berger - A local priest for the priory of sion. Gabriel suspects him for the kidnapping at first before realising Arnaud had nothing to do with the case.

**Larry Chester** - Corey Burton - A Scottish researcher and secret Masonic Brother writing a manuscript on the Knights templar and the blood lines of the area.
